

Activism

How can games change behavior in real life?

... accompany the socio-ecological transformation

... nudging / nudge players to act for climate?

... gamification - game elements in a non-game context. ¹⁾

... political design (What can you do? Question consumption. Demand that politics change, e.g. go to demonstrations, petitions, demand democratic participation opportunities. Establish/support alternatives: solidarity farms, communal living or repair cafés.)

¹⁾

Jane McGonigal, 2010: Gaming can make a better world,
