Technology

What use of technology enables sustainable play?

... Respect players resources: old hardware / slow (no) internet / battery life oft mobile devices

... Use Technological limitations as a creative challenge not as a limiting hurdle

... Open Source (sustainable use / lower footprint [1] / share / long time support[2])

... Footprint (rethink use of hardware / software)

... optimization (eco-mode) / graphic sobriety (tips for optimization)

... Tools / Platforms (DRMs / dependencies)

... reflect the use of AI-tools [3]
